POSTING OF THE TEN COMMANDMENTS IN PUBLIC BUILDINGS

The Interfaith Alliance of Iowa & Action Fund affirms:

- The need to protect and support the Non-Establishment Clause of the United States Constitution.
- The “Ten Commandments” are sacred and holy writings found in varying forms from several religious traditions.
- The respect for all people and their religious choices is a core value of our shared democracy.
- The First Amendment of the Constitution of the United States strictly forbids the Establishment of Religion and protects a person from any form of government-imposed religious practices.

Based on the above, The Interfaith Alliance of Iowa & Action Fund:

- **Opposes** the official posting of the Ten Commandments or any religious writing in all public buildings, including public schools.

*The mission of The Interfaith Alliance of Iowa & Action Fund is
to promote the positive and healing role of religion in public life by encouraging civic participation,
facilitating community activism, and challenging political extremism based on religion.*
